Monitor has been very fortunate, in the Flu epidemic, as only one case has developed, in town so far, M. A. Vanhorn having taken sick on Tuesday.

Five farmers, E. and T. Vidus F. Osovitsky, D. Ruhnoff and N. Atanasoff, contracted the flu up in Drumheller, and their started for home. Two of them were caught here and put under quarantine, two managed to get home and the other one is in Consort. No doubt but the compulsory wearing of masks has prevented the spread of the germs, here in town.

Kirriemuir is reported to be in a very bad shape, practically every person in the town being sick.

"He could not fight; he would not loan his money." Will this be your epitaph? Buy Bonds.

Clarence P. Blackley is listed as having been wounded in action.

Halloween was very quiet, although the usual "small boy" stunts were pulled off.

Chautauqua Concert

There was a large audience, in the Big Hall, on Monday night when the Chautauqua Artists gave a splendid concert under the auspices of the local Victory Loan Committee.

The following members gave their services, freely, and were repeatedly encored; Hampton Court Singers, Ladies Festival Orchestra, and H. Ruthven MacDonald. Addresses were given by Dr. F. Poole and Capt. Woods Briggs. L. O. Gould and Rev. Wickenden made appeals on behalf of the Victory Loan, urging everyone to do their utmost in buying Victory Bonds. W. S. McCulloch acted as Chairman.

All church services, at Hillanvale, Stonehawk, Berryfield, Ione and Monitor, that were to be held on Sunday, have been cancelled.

Owing to the Flu epidemic in the towns along the Lacombe branch, the Chautauqua dates had to be cancelled, for a few weeks, so twenty members of troupe are stopping at the local Hotel, having picked out the finest accommodation in the province.

For the first four days of the Victory Loan \$6200.00 has been subscribed, at this town. So far no returns have come in from any of the outside points in this district.

Have you bought a Bond, yet?

BUSY BIDEFORD

Bideford woke up one morning last week to find that one of her bonnie girls had "been and gone and done it" that the matrimonial knot had been tied as tightly as parson ever tied it and the happy couple were honeymooning in the country, and Bideford had been done out of a chivaree. Miss Annie McLeod is no more, but if you come to town and ask for Mrs. Jack Kennedy, you will find the same Annie smiling at you as of yore. Here's how to the bride and groom and may they have all the good things of this life in the way of health and happiness. A little bird tells us that a certain young lady is organizing a brass band reception for their homecoming.

The town smells strongly of antiseptics and many are resorting to the old fashioned cure of a bag of assafetida, hung around the neck, to act as a charm and drive the germs of the flu away. Judging from the smell it ought to. We hear with regret that Dr. D. Robinson is in the hospital at Saskatoon, down with flu. Everyone will be sorry, for Dr. Dean was beloved by young and old.

George McLeod returned to Calgary camp this week. Jack Kennedy has to report next.

A car load of Victory Loan workers drove in from Monitor and a hastily improvised meeting was held in the Store. A committee of townspeople was at once formed with N. Dwight Robinson as Chairman, and the pros and cons of this new Loan discussed. Mrs. Conquest is the official Canvasser for this district and any who may be thinking of leaving town should first fix up their Bond with her in order that Bideford may make a showing in the campaign.

Skating was in full swing at Lake Bideford, on Saturday, and we hear that the graceful movements of a certain young lady delighted the admiring small boys who tried, but in vain, to go as easily as she did.

A number of bags of shorts arrived at the Elevator and were immediately snapped up by the farmers whose hogs have been going hungry for months past. One pig we hear of, died of grief, at the prospect of being fed oat-chaff, day after day, and the others are grunting they mean to do likewise unless more shorts come in to town soon.

The longstanding dispute between homesteaders Runnals and O'Sullivan, came finally to trial, at Coronation, on the 24th. The original claim was for the keep of a horse in Runnals farm for the winter of 1917. Under the original case O'Sullivan put in a counter claim for use of horse and implements. At the trial the defendant and witnesses failed to appear, and G. Runnals was awarded \$30 and costs, O'Sullivan being nonsuited in his counter claim.

**SAVE
FOR VICTORY**

By instructions from the Hon. Minister of Agriculture, a free distribution of superior sorts of grain will be made during the coming winter and spring to Canadian farmers. The samples for distribution

**Distribution of Seed Grain from
the Dominion Experimental
Farms, 1918-19**

will consist of spring wheat (about 5 lb.), white oats (about 4 lb.), barley (about 5 lb.), and field peas (about 5 lb.). These will be sent, free, by mail, from the Central Experimental Farm, Ottawa, by the Dominion Cerealists, who will furnish the necessary application forms.

Only one sample can be sent to each applicant. As the supply of seed is limited, farmers are advised to apply very early.

War Efficiency and National Prosperity

More than a billion and a half dollars distributed in Canada for exported agricultural produce and the products of labor in the fiscal year ending March 31, 1918, has kept Canada busy and prosperous in spite of the war.

CANADA'S production in such enormous quantities was made possible only by the money received through Canada's War Loans. Canada thus was enabled to assist the Allies in their purchases here by establishing financial credits for their use in this country.

CANADA'S war loans not only have sustained Canada's war effort, but they have kept the wheels of production turning as they never turned before.

This is the flood of cash which poured in to Canada's farms for their exports in the fiscal year 1918, for:—

Butter.....	\$ 2,000,000
Cheese.....	36,602,000
Eggs.....	2,271,000
Oats.....	37,644,000
Wheat.....	366,341,000
Flour.....	95,896,000
Meats.....	76,729,000
Vegetables.....	19,034,000

Over six hundred and thirty-six million dollars for exported farm products alone!

AND the workers of Canada also shared greatly in Canada's export trade.

For their products there was distributed in Canada, during the year:

Munitions.....	\$450,000,000
Metals.....	92,083,000
Vehicles.....	22,776,000
Wood Pulp and Paper.....	59,599,000

These huge sums were spent in Canada by the Allies.

Canada's own war expenditure for the fiscal year 1918 was \$342,762,000.

And the bulk of all these expenditures, the foundation of Canada's prosperity and war effectiveness, was made possible only because the subscribers to Canada's war loans furnished the working capital.

CANADA must keep this great work going—must produce as never before; must work, fight, save and lend as she has never yet done to bring victory and a lasting peace to a war-ridden world.

But Canada to-day (thanks to her great export trade), is in a better position now than ever, to carry on.

The Victory Loan 1918 will keep Canada busy, will enable her to maintain her great export business; and it will make Canada more efficient than ever, because her prosperity will not be diminished and her determination to work, fight and win will be stronger than it has ever been before.

Note and Comment

The Victory Loan Campaign is now on, in full blast, all over Canada having started Monday morning. The local committee is hard at work and they have been allotted the task of raising \$25,000, in bonds, in this district divided as follows: Camper, Bideford, and Kirriemuir, \$3000 each, Monitor \$10,000. The canvassers are now out soliciting subscriptions to the Loan, but no patriotic Canadian should require to be asked to help and the war. Make your dollars fight. Buy Bonds. Then buy some more.

Facts About the Victory Loan

Details of Price and Payments Explained—Southern Alberta Executive Makes Appeal

Five hundred million dollars is the amount required to be raised by the Canadian government to carry on Canada's part in the prosecution of the war. The minimum amount which the minister of finance asks for is \$200,000,000. The larger amount will be raised if possible.

There are no 20-year bonds in this issue. Five and 15-year bonds will be available in the new loan.

The selling campaign for the new loan will begin Monday, October 28, and will continue until Saturday, November 16.

The details of the issue follow: Through the prospectus of the 5th Canadian war loan—the Victory Loan of 1918—the Dominion of Canada will ask for a minimum amount of \$200,000,000 with the right to accept all or any part of subscriptions in excess of that sum, to be used for war purposes only and to be spent wholly in Canada. The rate of interest will be 5 1/2 per cent per annum, payable May 1 and November 1, and the denominations \$50, \$100, \$500 and \$1,000. The loan will be offered in two instalments: 5-year bonds due November 1, 1923, and 15-year bonds due November 1, 1932.

The issue price will be 100 and accrued interest for both maturities, making the income return 5 1/2 per cent per annum. Provision is made for payment in five instalments as follows: Ten per cent on application; 20 per cent on December 6, 1918; 20 per cent on January 6, 1919; 20 per cent on February 6, 1919; 20 per cent on March 6, 1919. The last payment of 20 per cent covers 30 per cent balance of principal and 1.16 per cent representing accrued interest at 5 1/2 per cent from November 1 to due dates of the respective instalments.

As a full half year's interest will be paid on May 1, 1919, the cost of the bonds will be 100 and interest.

Price of bonds: The 1918 Victory Bonds are issued "at par and accretion" which means that all accrued interest is included in the price of the bond. The 1918 Victory Bonds are issued "at par and accretion" which means that all accrued interest is included in the price of the bond. The 1918 Victory Bonds are issued "at par and accretion" which means that all accrued interest is included in the price of the bond.

Every bond holder will receive a half year's interest at 5 1/2 per cent on May 1, 1919; that is, on a \$100 bond he will receive \$2.75 interest on May 1.

On bonds paid for by instalments the interest will be paid just the same on May 1, 1919; and to put all buyers

NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent announcement published in the Press by the Military Service Branch, Department of Justice, regarding extensions to be granted to men EXEMPTED AS FARMERS.
